

ABOUT THE SPECIALITY CAMPS @ NYA

Seacoast United Maine is proud to announce a
its Specialty Camps for the Summer of 2010.

High School Preseason Camp

SUSC-Maine's High School Preseason Camp is designed to prepare freshmen, junior varsity, and varsity players for the upcoming fall season. Players will be put through their paces in a number of ways, consistently working in small groups with specific functional activity. The coaches will focus on individual skills in defending, attacking, finishing, and transition play. Regardless of position, players will be exposed to all areas of the game to help them understand the different functions of the team. We provide the highest quality coaches who are licensed with their appropriate governing body. Come prepare for your season and be ready to make an impact on Varsity in 2010!

Open to all area high school players (regardless of school), our 2010 High School Preseason Camp will be held at North Yarmouth Academy in Yarmouth, ME. All players will receive a Nike soccer ball and Nike t-shirt.

Futsal Training

Futsal is how the rest of the world plays indoor soccer. Played on a field similar in size to a basketball court and with a low bounce ball, individual skill and confidence with the ball is the key to success. It's focus is on skill, creativity, ball control and short sharp passing ensures each player gets vastly more touches and direct involvement than any typical 11v11 game. Our camp will introduce players to the skills, techniques and concepts used in Futsal and show how they can relate to and benefit them in an 11v11 world. For an introduction to Futsal please visit www.futsal.org.

Seacoast United Soccer Club has quickly grown to be recognized as one of the Nation's top Clubs. It is one of the reasons why Nike selected SUSC to become a Nike Premier Club and also why US Soccer accepted the Club into the newly formed US Development Academy. SUSC merged with the former Coastal Soccer Club to create SUSC Maine. Seacoast United Maine will be merging with both Odyssey Sport 97 and Maine Metro F.C. for 2011 and is now without doubt the best developmental Club in ME. and one of the very best in the whole of New England. At SUSC Maine we are 100% committed to developing our players the right way from the ground up.
