Heads or Tails Raffle Procedures:

1. **Yellow Cards** for the Heads or Tails Game will be available for purchase for \$10.00 beginning at 6:00 PM. Every guest is encouraged to buy a card as it's a lot of fun and you have a chance to win cool prizes.
2. At the beginning of the live Auction, the auctioneer will conduct the Heads or Tails Raffle. At this time, all guests having purchased a **Yellow Card** will be asked to stand in order to participate. Guests will be asked to predict the result of the auctioneer's coin toss, and to indicate such choice by physically placing their hand either their own "head" or "tail". All choices are final. Once the auctioneer tosses the coin and reveals the result, all those having chosen incorrectly are eliminated from the raffle and must sit down. Participants remaining will be asked to predict the outcome of the next coin toss and indicate their choice as previously described. Play continues as such until only one participant remains standing and is determined the winner. There are some consolation prizes for 2nd and 3rd.
