

Seacoast United Soccer Club has quickly grown to be recognized as one of the Nation's top Clubs. It is one of the reasons why Nike selected SUSC to become a Nike Premier Club and also why US Soccer accepted the Club into the newly formed US Development Academy. Recently, SUSC merged with the former Coastal Soccer Club to create SUSC Maine. Seacoast United Maine now has it's sights set on becoming one of the best developmental Clubs in ME. Offering developmental programs they are committed to developing their players the right way from the ground up.
